### Total Program Cost: \$2,500

Based on current tuition rates; subject to change over the course of your program. Service fees, supplies, software subscription fees, and other materials are not included.

**Advance your career with an accelerated introduction to computer-aided design (CAD) programs for current or aspiring interior designers.**

Students receive specialized training in digital rendering and presentation using industry-standard digital tools, including AutoCAD, Adobe Photoshop, and SketchUp. Customize your learning pathway by choosing either Revit or Adobe InDesign courses. This program is designed for students seeking to build specialized digital design skills, as well as those who are currently enrolled in or have completed the Residential Interior Design Certificate and wish to expand and refine their CAD expertise with additional software.
